**Barnardo's
Invisible Lives
(Previously
known as
Essex CAPI -
Children
Affected By
Parental
Imprisonment
)**

Due to the growing success of the Barnardo's Essex CAPI service we are changing our programme to meet the needs of service users and organisations.

Essex CAPI has been funded centrally by Barnardo's for over 5 years and was originally set up to support and advise families who are affected by parental imprisonment. The service grew rapidly and due to its success and demands for support at all stages of the Criminal Justice System we now provide holistic child and family support and work closely with police teams, courts, prisons and other CJS agencies.

A new part of our work we are able to work with schools and other agencies to provide bespoke courses and support young people at risk of hidden harms and other vulnerabilities. *We provide early intervention and prevention programmes, workshops and courses **(*some of which are provided free/others incur a charge. Please enquire for details)** for them and their families along with 1-1 mentoring sessions. We aim to educate, support and increase confidence and self-esteem for children and young people experiencing trauma and poor mental health and well-being as a result of their situation.

Other services we offer:

- A range of mental health and well-being services
- Support for Essex Missing programme
- Bespoke school mentoring sessions- ReFocus programme

Launched on 1st May 2019

Service covers the whole of Essex

The support I can offer will depend on how you feel about these aspects of working with families and can range from a chat over the phone for advice and guidance, delivering workshops, to modelling/co-facilitating a team around the family meeting. I would warmly welcome contact being made by anyone who would like to explore how I could support you in your roles.</p>		North Essex	<p>Louise Vickery</p> <p>Email: TAFSO@essex.gov.uk</p> <p>Mobile: 07738886000</p> <p>Lync: 03330137560</p>
